Subject: Veteran Non-Profit Event Donations and Sponsorship Request

Hello!

Project Gallantly Forward (PGF) Veterans Retreat is a Veteran-founded nonprofit. We offer a peaceful, cost-free retreat where Veterans and their families can take a breath, reconnect, and find support from others who've walked a similar path. Our goal is to help reduce isolation and support mental wellness through nature, community, and shared experience. The retreat is tucked away just 45 minutes from Chattanooga, making it an easy escape into calm for those who need it most.

PGF was founded by Lucas and Christine Lewis. Mr. Lewis, President of PGF, enlisted in the army in October 2004 and completed two deployments to Iraq, serving with the 1/71 Cavalry Regiment. This regiment has lost more service members to suicide and reintegration challenges in the post-deployment period than during combat operations in Iraq. Recent studies from the VA indicate 17 Veterans per day commit suicide. PGF is dedicated in honor of their final battle lost and is committed to prevention of further losses. In fact, "Gallantly Forward" is the motto of the 1/71 Cavalry Regiment and serves as a tribute to the regiment's fallen soldiers.

On behalf of Project Gallantly Forward, I am writing to request that your business sponsor or donate items for our annual fundraiser. Project Gallantly Forward's annual fundraising event - Stars, Stripes and Ugly Sweaters - isn't just about festive fun, it's how we keep the retreat doors open for Veterans and their families all year long. With your support, we can remind every Veteran who walks through our gates that they're not alone, and that healing is possible when community shows up.

This year's event is Friday, December 4 and we would love for you to partner with us. The following pages detail ways you can support this event, through donating auction items or sponsorship.

Please know that all donations are tax deductible. If you are interested in becoming a sponsor or donating items for auction, visit the QR code (www.projectgallantlyforward.org/sponsor) to fill out the form, or reach out to me directly at the email below for questions or further information.

Thank you for your consideration,

Christine Lewis, Executive Director
